NOTE: Please read instructions COMPLETELY before assembly.

ATTENTION: This product is manufactured with quality materials. Please read and understand the warnings and cautions prior to assembly. If you have any questions call the customer service number listed below. Please refer to the warranty card inside this package.

WARNING: Risk of fire. DO NOT smoke or use open flame devices around the wood mover. DO NOT store flammable liquids (gasoline, kerosene, propane, etc.) on the wood mover. DO NOT overload the mover and exceed weight capacity of up to 250 lbs. When loading and unloading wood, be careful of even log distribution. A wood mover that is unbalanced or loaded too high could possibly tip and cause injury. Wood may shift in transport. For best results, roll on a flat surface with fully inflated tires. Maximum tire inflation is 30 psi.

REPLACEMENT PARTS, ASSEMBLY, SPECIAL ORDERS: Genuine **ShelterLogic® Corp.** replacement parts and accessories are available from the factory. All items are shipped factory direct to your door.

CARE AND CLEANING: Use a soft cloth to wipe clean. Store in a clean, dry place when not in use.
